Wall mounted single lever shower mixer whitout kit

Technical drawing of the 'Banco' workbench. The top view shows a rectangular frame with overall dimensions of 216 (width) by 210 (depth). The distance between the two main support columns is 130-170. The columns are connected by a horizontal bar with a G1/2" thread. The side view shows the height of the workbench is 100, the height of the support column is 80, and the diameter of the support column is Ø60. The drawing also indicates a Ø42 dimension for the base of the support column.
